INSTITUTE

In case of applications directly from institutes

- Institutes first need to register and create their ID.
- Institutes should provide their official mail id of Training and Placement Cell for registering. In case it is found that registration has been done through any personal mail id, registration is liable to be cancelled.
- After registration, institutes can fill up the names and details of the students they want to nominate for internship at Guwahati Refinery. Please note that from a particular institute, a maximum of 20 students are acceptable for registration at Guwahati Refinery. Institutes may choose to send in more students, but allowing more than 20 students is completely at the discretion of Guwahati Refinery authorities.

STUDENT

In case of Application from students

- An online application form has to be filled up.
- Institute name has to be selected from drop down menu. Name of a particular institute shall appear in the drop down menu, only if institute has registered in this website through the official Training & placement mail ID.
- In case Institute Name doesn't appear in the drop down menu select **other** from the drop down list, you will be redirected to another page where you can add the details of the Institute. After successful submission you will be redirected to your application form again, now you can select the Institute name from the drop down list and fill up the remaining fields
- A copy of the last issued mark sheet and Institute NOC/Consent letter for internship has to be attached along with the form.
- After submission of application form, student has to send the hard copy of the document by speed post.
- **Note: Merely online submission of the application doesn't ensure successful completion for internship. Documents must reach the Guwahati Refinery (GR) L&D Centre for consideration by GR authorities.**
